Terms & Conditions

1. The quoted price includes only the hardware & installation for the hardware mentioned in the invoice; additional accessories, if any, will be charged separately.
2. Warranty for biometric devices and printers shall be as per the manufacturer's standard warranty policy.
3. Any physical damage, mishandling, power fluctuations, or unauthorized repairs will void the warranty.
4. Goods once delivered and accepted cannot be returned or exchanged except for manufacturing defects covered under warranty.

We hope the above quotation meets your requirements and look forward to your positive response.
